Susan Schneider, SCRP, GMS Elected 2010 Vice President for Worldwide ERC® Board of Directors

Plus Relocation Services, Inc. is pleased to announce that its president, Susan Schneider, has been elected to serve as 2010 Vice President for the Worldwide ERC® Board of Directors. Worldwide ERC® is the workforce mobility association with offices in Washington, DC; Brussels, Belgium; and Shanghai, China. Its 12,000 members represent employers, service firms and individuals from industries that address workforce mobility related workforce issues.

Schneider joined the Worldwide ERC® Board of Directors in 2008, and was elected Secretary-Treasurer in 2009. As a Board member and officer, she addresses association policy, bylaws, and ethics issues; reviews the association's activities, events, and budget; assists in the planning and development of Worldwide ERC® educational programs and publications; and contributes to the organization's strategic plan for stability, growth, industry relevance, and the greater good of the entire Worldwide ERC® membership. As Vice President, she will also hold responsibility for overseeing the association's annual conferences.

Schneider is well respected and valued as a global workforce mobility professional and frequently is sought out for her leadership skills and perspectives. She has been most supportive of Worldwide ERC®'s U.S. domestic and global outreach and programs; has participated in the organization's meetings, committees and as an author for its magazine, MOBILITY; and has developed relationships with workforce mobility partners that enhance the work of the organization and the quality of its initiatives. During her active involvement with Worldwide ERC®, she has earned the Senior Certified Relocation Professional (SCRPTM), Global Mobility Specialist (GMSM), and designation and the Meritorious Service Award.

About Plus Relocation Services, Inc.

Founded in 1968, Plus Relocation Services, Inc. is recognized as a global leader in the design and implementation of employee relocation and assignment management programs. The company has earned rave reviews for "delivering delight" through their expertise, personalized services, innovative programs, and cutting-edge technology. Headquartered in Minneapolis, MN, PLUS has offices in the United States, Client Program Managers in the EMEA and APAC Regions, and the best on-the-ground service partners throughout the world. For additional information about PLUS and our services, please visit our website at www.plusrelocation.com.

About Worldwide ERC®

Worldwide ERC® programs and publications help global workforce mobility professionals continually increase their expertise, and allow corporations with mobile employees (and the companies that provide services to them) to communicate more effectively and conduct workforce transitions more efficiently.
